The background of the slide features several pieces of jewelry. Each piece consists of a silver-colored metal chain with a large, teardrop-shaped bead. The beads are made of a dark, translucent material, possibly obsidian or a similar volcanic glass, which has been artfully etched with intricate, swirling patterns that resemble flames or smoke. The chains are draped across the top and right sides of the frame. A large, white circular graphic with a thin green border is centered on the slide, containing the title text. The bottom portion of the slide is a solid green color with a white curved line separating it from the rest of the image.
